

Indian Institute of Management Rohtak

Five-Year Integrated Programme in Management (IPM)

Batch 2024-29

Frequently Asked Questions

1. What degree will be given to the participants of the IPM Programme?

Participants of the IPM Programme will be given a dual degree. On successful completion of the programme, the participants will be awarded dual degrees: Master of Business Administration (MBA) and Bachelor of Business Administration (BBA) by IIM Rohtak.

- The student will be promoted to the MBA programme in the 4th year on successfully completing the minimum academic requirements of the BBA programme.
- If any student intends to exit after successfully completing the programme requirement at the end of 3 years, he/she will be awarded a degree of Bachelor of Business Administration (BBA).

2. What are the minimum eligibility criteria for applying for the IPM programme?

The candidate must satisfy the following criteria to apply for the IPM programme.

- General, NC-OBC, and EWS Category: Minimum 60% in standard X/ SSC and standard XII/ HSC or equivalent examinations, Maximum 20 years of age as of June 30, 2024.
- SC, ST, and PWD (DAP) Category: Minimum 55% in standard X/ SSC and standard XII/ HSC or equivalent examinations, Maximum 20 years of age as of June 30, 2024.

Note 1: Candidates who are likely to complete standard XII/ HSC or equivalent by the end of June 2024, can also apply, subject to meeting the minimum eligibility criteria as mentioned above. If selected, such candidates will be offered admission to the programme provisionally. At the time of registration for the programme, such candidates must produce X and XII standard mark sheets (securing minimum marks, i.e., 60% for General, NC-OBC and EWS or 55% for SC, ST, and PWD) along with a school-leaving certificate/migration certificate, failing which the candidate's admission offer stands canceled.

Note 2: The percentage of marks obtained by the candidate in X and XII Standard would be calculated based on the aggregate marks of the best five subjects that appear in the mark sheet/grade sheet, irrespective of the Board's regulation. In case the candidates are awarded letter grades or grade points instead of marks, the conversion of grades to the percentage of marks obtained from the best five subjects would be based on the procedure certified by the Board/ Competent Authority explaining the method of conversion from where they have obtained the certificate.

3. Which subjects should be considered while calculating aggregate marks of the best five subjects?

The candidate can consider any best five subjects on the mark sheet to calculate the aggregate marks.

4. How many subjects to be considered in case the number of subjects mentioned on the mark sheet is less than five?

In such cases, the candidate can calculate their percentage marks based on the procedure certified by the Board/ Competent Authority, explaining the method of conversion from where they have obtained the certificate/mark sheet
